BISTECCA

MMXVI

Sangiovese is a red Italian wine grape variety that derives its name from the Latin sanguis Jovis, "blood of Jupiter"

Sangiovese Grosso, used for traditionally powerful and slow maturing red wines, is primarily grown in the central regions of Italy, particularly in Tuscany, where it is the dominant grape variety. Here, Sangiovese thrives in various subregions, including Chianti, Montalcino, and Montepulciano, whose diverse terroirs winemakers put to good use to craft wines that reflect the land's unique nuances
